RIMPAC 2018 Observer Program

Observer Nations

• Participating Nation:
  • Ecuador

• Observer nations invited via formal COMPACFLT Letter of Invitation

• Two Officers (04-05) per nation

• Cost borne by observer nation

Observer Program

• Dates: 16 - 20 July 2018

• First established during RIMPAC 2002

• Observer nations are invited and afforded a condensed overview of RIMPAC exercise activities during a week-long schedule of events, with the anticipation of future participation in RIMPAC.

• The Observer Program includes welcoming and overview briefings, an at-sea embarkation on an aircraft carrier and/or amphibious ship, helicopter or Carrier-on-Board Delivery (COD) flights, P3C indoctrination tour flight, as well as ashore activities.
33 Ships & 5 Submarines
RIMPAC 2018 Overarching Scenario

Themes

• **Economic disparity**
  – Orion discovered oil reserves and seeks Griffon’s refinement capability via military action

• **Freedom of Navigation**
  – Orion harasses and eventually sinks merchant shipping in the Strait of Orion
  – Aggression against Griffon and RIMPAC nation

• **Counter piracy**
  – Purely criminal organization operating off the coast of Pandora and Yolo

• **Counterterrorism**
  – IED events in Griffon from ARM

RIMPAC Players

• **Griffon (ally)**
  – Strongest economy in the region but limited military and defense capability

• **Orion (belligerent)**
  – Expansionist regime and the military “strong arm” in region

• **Pandora and Yolo (neutral)**
  – Provide physical separation in JOA to address JPN real-world constitutional restrictions

• **Disputant Resistance Armed Combatant Opposition (DRACO)**
  – Terrorist organization operating in Griffon and NW region of Yolo

Coaster Islands and Constellation Providences Joint Operations Area (JOA)
Humanitarian Assistance / Disaster Relief

Concept

• Earthquake and tsunami scenario
  – Massive casualties, aftershocks, extensive infrastructure damage
• Japan-led HA / DR Task Force with Coalition Staff
• Live response emphasizing interactions with Host Nation, International Relief Community
• Collaborative HA / DR Harbor Phase Academics with Center for Excellence in Disaster Management, UN OCHA, US AID, IFRC, Navy War College

Objectives

• Employ multinational force in a HA / DR scenario
• Plan and direct sustainment forces ashore in an HA / DR environment, both from the sea base and ashore.
• Emphasize realistic civil-military (CIV-MIL) interactions
• Cross-training and sharing of medical capabilities between military and civilian responders ashore and afloat
• The Joint Commission Accreditation of Healthcare Association of Hawaii (HAH) hospitals
• Annual Health and Human Service (HHS) Disaster Medical Assistance Team (DMAT) training requirements are met

RIMPAC Experimentation

• RIMPAC 2018 experimentation efforts will be executed with Navy Warfare Development Command as part of the Navy’s Fleet Experimentation (FLEX) program

• The majority of experiments will take place as part of TRIDENT WARRIOR 2018
  • Co-sponsored by SPAWAR
  • TRIDENT WARRIOR is an annual large scale at-sea field experiment event that focuses on information warfare

• 39 experimental initiatives are scheduled to occur during RIMPAC 2018

• RIMPAC 2018 included an Innovation Fair for the first time
Who: THIRD Fleet, PACFLT and ONR are facilitating an Innovation Fair for all RIMPAC Participants. (23 initiatives, 5 countries)

What: A four day fair event during the harbor phase that fosters cooperation, trust, and interoperability through interactive displays featuring innovative ideas and concepts that advance naval capabilities. The event includes exhibitions, innovation opportunities, contests, and special events.

Where: JBPHH, at Club Pearl

When: Thursday, 28 June – Sunday, 1 July 2018

Why: To engage Sailors and Marines and expose them to the innovation community that drives experimentation.
